Urban Survival Secrets For Surviving Terrorist Attacks Natural Disasters And Pandemics

Do You Know that You Can Easily Have A Disaster Survival Plan Staying Right Where You Currently Live? That's Better Than Having A Fully Stocked Rural Retreat that You Can't Get To!

In The Real World, Most People Don't even Have A Fully Stocked Retreat They Can Escape To.

Even If You've Planned Ahead And You Do, There's No Guarantee That You'll Leave In Time Or That You'll Be Able To Make It There.

Your First Plan Must Be To Survive In Place.

The Perfect Survival Plan should be....

1. Cheap...Survival is NOT a luxury reserved for the rich.
2. Fast To Start Putting Into Place Without a Ton Of Required Training/Classes/Supplies.
3. Compatible with Your Current Living Situation.
4. Easily Usable By Your Family If You Can't Lead Them.
5. Adaptable In Case You Miss Your Window To Relocate
6. Sustainable If The Emergency Is Long Term
7. Reversible If You Jump The Gun.
8. Written Down, So You Aren't Relying On Memory When You're Operating Under Stress and Without Sleep.
